Re: John Doe #1, et al. v. Putnam County, 16-CV-8191

Dear Judge Karas:

I represent the Intervenor, New York State Attorney General, in this matter. I write to request a brief extension to the deadline for the Movant's Pre-Motion Letter. The current deadline is October 29, 2019. By this letter, I request to adjourn this date one-week until November 5, 2019. This extension would apply to all parties intending to submit pre-motion letters.

Both Plaintiff's and Defendant's counsel has graciously consented to this request. The currently scheduled Court Conference on November 14, 2019 would not be disturbed by this request. As I assume both Intervenor and Plaintiff intend to move in this matter, the Non-Movant letters (currently due on November 5, 2019) could be only slightly adjusted until November 8, 2019. No other deadline in this matter would be disturbed as a result of these changes.

I request this relief due the fact that I was just today assigned a complex Medicaid matter in my office with an order to show cause/preliminary injunction return date that coincides with my pre-motion letter in this matter. The additional time will allow me to meaningfully comply with all deadlines.

Thank you for consideration of this request.

Respectfully submitted,
S/ C. Harris Dague
